14.00 – 15.00 hrs	Session 03: Transforming Smart cities as Vibrant Economic Centers: Role of Flexspace Industry
	<p>The Pandemic pushed organizations to innovate and adopt the model of work from anywhere. A lot of Flexible workspaces across non-metro cities flourished due to the flexibility they provided to employers as well as employees to work from their home cities. This, in economic terms, brought back income and consumption to smaller towns and increased economic activities.</p> <p>With an ever-growing congestion in metro cities, Flexible workspaces in Non-metro smart cities, can help decongesting large cities and build more vibrant economic centers across India for a balanced growth. Smart city mission can look at integrating development of flexible workspace to provide this opportunity. The session will deliberate on ways and means to integrate a walk to work strategy for building smarter and growth-oriented cities.</p> <p>Session Moderator:</p> <ul style="list-style-type: none"> • Sanjay Jog, Senior Journalist <p>Keynote Address:</p> <ul style="list-style-type: none"> • Mrs. Vinita Ved Singal (IAS), Principal Secretary (Labour & Administration), Government of Maharashtra <p>Panelist:</p> <ul style="list-style-type: none"> • Kushal Bhargava, Co-Founder, MyBranch Services (Narayan Bhargava Group) • Umesh Uttamchandani, Co-Founder and Chief Growth Officer, Dev Accelerator Pvt.
